

## Privacy Policy

www.notadist.com

We value your information enormously. In this Privacy Policy we would like to help you understand how we process the information you have shared with us through NotaDist, including our services, our websites in the NotaDist domain, (overall the "Services"). As this allows you to make informed decisions about the relationship between us and you, please read carefully. submitting information, or using any of our services, you acknowledge that you accept the policies and policies outlined in this privacy policy.

### What personal information do we collect from the people that visit our website or app?

When ordering or registering on our site, as appropriate, you may be asked to enter your name, email address or other details to help you with your experience.

### When do we collect information?

We collect information from you when you register on our site, place an order, fill out a form, Open a Support Ticket or enter information on our site.

Provide us with feedback on our products or services.

### How do we use your information?

We may use the information we collect from you when you register, make a purchase, sign up for our newsletter, respond to a survey or marketing communication, surf the website, or use certain other site features in the following ways:

- To personalize your experience and to allow us to deliver the type of content and product offerings in which you are most interested.
- To improve our website in order to better serve you.
- To allow us to better service you in responding to your customer service requests.
- To quickly process your transactions.
- To ask for ratings and reviews of services or products
- To follow up with them after correspondence (live chat, email or phone inquiries)

### How do we protect your information?

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a gateway provider and are not stored or processed on our servers.

We are seriously committed to protecting your Personal Information. In general, we follow accepted standards in the industry to protect the information you send us, both during transmission and once we have received it. We take appropriate physical, technical and administrative safeguards to protect your Personal Information from accidental or unlawful destruction, accidental loss, unauthorized alteration, unauthorized access or disclosure, misuse and any other unlawful processing of your Information personal information in our possession. However, no method of transmission over the Internet, or electronic storage method is totally secure.

We can not ensure or warrant the security of any information that you transmit or store in the Service, and you do so at your own risk. Likewise, we can not guarantee that it will not be possible to access, disclose, alter or destroy such information as a result of the violation of any of our physical, technical or administrative safeguards. If you believe that your Personal Information has been compromised, please contact us as described in the "Contact Information" section. If we become aware of a security breach we will inform you and the authorities of the violation occurring in accordance with applicable law.

We accept no liability for any disclosure of data due to errors in transmission, unauthorized access or other acts by a third party or outside of reasonable control.

### Do we use 'cookies'?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

#### We use cookies to:

- Help remember and process the items in the shopping cart.
- Understand and save user's preferences for future visits.
  - Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser settings. Since browser is a little different, look at your browser's Help Menu to learn the correct way to modify your cookies.

If you turn cookies off, some features will be disabled. It won't affect the user's experience that make your site experience more efficient and may not function properly.

You can also check [www.aboutcookies.org](http://www.aboutcookies.org) to find out more on how you change your browser settings.

### Third-party disclosure

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information unless we provide users with advance notice. If you turn cookies off, some features will

be disabled. It won't affect the user's experience that make your site experience more efficient and may not function properly.

However, you will still be able to place orders .

We do not sell, trade, or otherwise transfer to outside parties your Personally Identifiable Information unless we provide users with advance notice. This does not include website hosting partners and other parties who assist us in operating our website, conducting our business, or serving our users, so long as those parties agree to keep this information confidential. We may also release information when it's release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property or safety.

### **Third-party links**

Occasionally, at our discretion, we may include or offer third-party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

### **How does our site handle Do Not Track signals?**

We honor Do Not Track signals and Do Not Track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

### **Does our site allow third-party behavioral tracking?**

It's also important to note that we allow third-party behavioral tracking

### **Fair Information Practices**

The Fair Information Practices Principles form the backbone of privacy law and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information.

In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur:

We will notify you via email

- Within 7 business days

We will notify the users via in-site notification

- Within 7 business days.

If at any time you would like to unsubscribe from receiving future emails, you can email us at our e-mail ([info@notadist.com](mailto:info@notadist.com)) or :
